*** Night Collection Trip ***

Location: Port Aransas Jetty

Time: 7:45pm-12 Midnight

Directions from the Ferry:

Take Cotter St. straight to the water; you are at the jetty we will be collecting from.

From the Hotel:

Take a left from parking lot and go to (Cotter St.) turn right and go to the water, jetty is on left at shoreline.

Necessities:

SW Fishing License

3-5gal collection bucket

reminder, the bucket will weigh less going out, than coming back in from the jetties

Battery Operated Pump w/Air stones

Flashlight-Some use red led headlamps.

A net protector @ the leading edge, to protect it from getting torn.

Not required but helpful

Pop out chair if you want to sit

Small cooler for water/drinks

Sunday Morning July 26th

****Kayak trip to the Lydia Ann Lighthouse****

Hosted by: Frederick & Melinda of Coral Reef Bazaar

Time: 8am- 11am

This is a very easy paddle (about four miles in total) that is beginner friendly. If you do not have a kayak and would like to join our group, there is an outfitter that will rent a package (kayak, paddle, life vest, leach, water and map) for \$50.00 dollars. If you want to use this option, then I will need to get a deposit of \$30.00 dollars per person.

The lighthouse is privately owned and we will NOT be able to go inside.

However, there is lots of wildlife to see including porpoises, birds and such so you might want to bring a camera and/or binoculars.

We will also be there with our kayaks all weekend. Anyone that wants to join us and go out in the flats on Friday or Saturday is more than welcome to join us.

MAP TO JETTY

****Important Notes****

Do not wear flip flops on jetty.

Non slick shoes, tennis shoes would be best to use while going out to collect.

Caution: when leaving the pavement onto the sand, pay attention. There is soft sand to the left side of the dunes. There is a possibility you will get stuck,

Whatever you are taking out to the jetties, you will also be bringing back, remember to travel light.
